New Brunswick, NJ | (508) 335-7771 | grace.siyu.wu@gmail.com

EDUCATION

Rutgers, The State University of New Jersey — New Brunswick, NJ
Bachelor of Science, Finance, Business Analytics & Information Technology (BAIT) — *Sep 2025 – May 2029*
Minor in Linguistics

- GPA: 3.875/4.0
- Distinctions: Dean's List (all semesters to-date), Rutgers Road to Consulting (18% acceptance rate)
- Relevant coursework: Management Consulting; Statistical Methods in Business; Business Operations Analytics
- Relevant competitions:
  - First place of 90 teams, Verizon Go-To-Market Case Competition: designed 5G smart campus solution with IoT occupancy tracking and a $2.5M ARR financial model; pitched to Verizon executives
  - Finalist, Johnson & Johnson University Case Competition: built 10-year growth plan to expand wound closure portfolio into barbed suture market across R&D, pricing, supply chain, and workforce; projected $22.7M NPV
  - Finalist, Bender Trust Stock Pitch Competition: pitched BUY on Quanta Services (NYSE: PWR) at $480, which has since gained 30%+; analyzed 10-K revenue model and competitive positioning; built thesis on $35.8B backlog and AI-driven power demand

PROFESSIONAL EXPERIENCE

Central Jersey Process Service — New Brunswick, NJ
Marketing Operations Intern — *Oct 2026 – Present*

- Building online presence across Facebook, LinkedIn, Instagram, and SEO blog content, targeting law firms on LinkedIn and process service education elsewhere to grow direct clients beyond affiliate work
- Streamlining intake-to-dispatch workflow with AI and automation without disrupting existing tools, starting with automating yes/no job offers and ServeManager assignment across 15+ servers and 300+ active jobs

LEADERSHIP & ACTIVITIES

Net Impact at Rutgers, Consulting | Global social impact nonprofit — Piscataway, NJ
Project Manager – Experimental Student Robotics Association — *Sep 2026 – Present*

- Sourced the client and led 4 analysts on a 6-week marketing strategy project ahead of its humanoid program launch, shifting engagement scope from university onboarding to marketing after client discovery
- Directed benchmarking of peer robotics orgs, newsletters, and web presence, flagging the client's search visibility gap

Consulting Analyst – FoundersForge | Tennessee startup accelerator — *Feb 2026 – May 2026*

- Diagnosed capacity constraints and designed a subsidized outreach model to free up team bandwidth within budget
- Built a scalable sponsorship framework on its existing curriculum and 100+ startup portfolio, creating a path to the 50-partner threshold for full self-sustainability

Experimental Student Robotics Association — New Brunswick, NJ
Business Development Specialist — *Sep 2026 – Present*

- Built partnership framework, drafting active/affiliate/industry partner MOUs, bylaws, and a FAQ on IP, governance, and funding; co-led university pitches to bring prospective schools into formal commitment
- Leveraged AI agents to research and build an outreach pipeline of 160+ robotics labs, companies, and research orgs, tracking leads in Zoho CRM towards a $50K humanoid project fundraising goal

180 Degrees Consulting | Global student-led pro-bono consulting organization — Piscataway, NJ
Consulting Analyst – YMCA Piscataway — *Sep 2026 – Present*

- Conducted energy audit through an on-site walkthrough and utility bill analysis, mapping costs by room and equipment to pinpoint savings in gym equipment, EV charging, and pool operations
- Benchmarked energy use intensity (EUI) against 16 peer YMCAs and recreation/aquatic centers, presenting findings to the program director to prioritize savings levers

International Model United Nations Association — New York City, NY
Director – UNESCO Committee — *Jan 2026 – Present*

- Co-authored a 50-page Background Guide and evaluated 60+ position papers, assessing policy accuracy and feasibility
- Chaired 200+ delegate committees and mentored 4 Assistant Directors on the Update Brief and session facilitation

Rutgers Model United Nations Association — New Brunswick, NJ
Director of Communications and Senior Chair — *Feb 2026 – Present*

- Led club rebrand and content strategy across Instagram and website, growing followers 40% and average views per post from 2.5K to 15K; ran recruitment campaigns that increased member engagement 100%
- Trained 30+ travel team members in MUN strategy and chaired a 30+ delegate crisis simulation at RISC III conference
